Your paragraph 4 sounds OK. However, I would like to have you check this out with WH and [REDACTED] station before I actually sign the memo.

I want to keep the pressure on to regularize this situation as soon as possible. However, if they think they have a case (it should be a good one) for an exception or two, I'd like to consider it before we sign the memo.

Discussed with [REDACTED] and then with Col. White - It is agreed that nothing further is necessary now in view of Para 5 of Chief WH 6 November memo.
